

## Statement of Responsibility for Enduro Events

You will be voluntarily entering AMA/ECEA sanctioned events. An AMA/ECEA sanction indicates that the events are listed in these Associations' official calendar and that AMA/ECEA rules for competition may be used as a guideline. It does not indicate that the course has been inspected or approved by these associations, nor does it indicate that the officials have been trained or accredited by these associations, nor does it indicate that your safety has been warranted by any AMA/ECEA authority or the promoter.

Motorsports are inherently dangerous. You should take part in these events based on your assessments of your abilities. Enduro routes may traverse public and private lands, and public roads, and the promoter is not responsible for their condition or for the actions of other individuals using private and public land and roads. You are responsible for the quality and condition of your motorcycle and protective apparel. The promoter does not provide medical insurance coverage. We urge you not to compete in motorsports without adequate medical insurance coverage.

**I have read and understand the above statement:**

To the applicant:

We're pleased that you have expressed an interest in supporting our organization and the sport of motorcycling in general.

We meet on the first Thursday of each month as a standard, and from time to time a special meeting may be required, which would usually be near the date of our sanctioned event.

We expect club interest and support shown by attendance at meetings and full assistance for events held during the year, as well as any help for a fellow member whenever possible.
